Who We Serve

We serve students, graduates, working professionals, educational institutions, and corporate organizations across **all academic streams**, including IT, Mechanical, Electrical, Civil, ECE, and Non-IT domains. Our programs are designed to be inclusive, practical, and adaptable.

Why Choose Kreo Softwares?

- ✓ Industry-aligned training models
 - ✓ Expert trainers from top MNCs
 - ✓ Flexible and customized learning programs
 - ✓ Consistent quality and delivery standards
 - ✓ Equal focus on IT and Non-IT students
 - ✓ End-to-end career support — from learning to placement
-

Pricing

Our pricing varies based on:

- The selected **domain or technology**
- The **type of program** (training, internship, project, workshop, or course)
- The **duration and level** of the session
- The **customization requirements** (individual, group, or institutional programs)

We offer competitive, student-friendly, and institutional packages.

For detailed pricing and customized proposals, please contact our team.
